

Editor-in-Chief

Prof. Dr. hab. Michal Giersig
Institute of Fundamental Technological Research PAS

Deputy Editors-in-Chief

Dr hab. inż. Dariusz Jarzabek
Department of Mechanics of Materials, Institute of Fundamental Technological Research PAS
&
Dr hab. Piotr Korczyk
Department of Biosystems and Soft Matter, Institute of Fundamental Technological Research PAS

National Editorial Board

Dr hab. Łukasz Jankowski
Department of Intelligent Technologies, Institute of Fundamental Technological Research PAS

Prof. dr hab. inż. Mirosław Karpierz
Department Physics, Warsaw University of Technology

Dr hab. Daria Józwiak-Niedźwiecka
Department of Experimental Mechanics, Institute of Fundamental Technological Research PAS

Dr Dorota Kołbuk-Konieczny
Laboratory of Polymers and Biomaterials, Institute of Fundamental Technological Research PAS

Prof. dr hab. inż. Zbigniew Kotulski
Faculty of Electronics and Information Technology, Warsaw University of Technology

Prof. dr hab. inż. Małgorzata Lewandowska
Department Material Engineering, Warsaw University of Technology

Prof. dr hab. Jerzy Pamin
Faculty of Civil Engineering, Cracow University of Technology

Prof. dr hab. Ryszard Pęcherski
Department of Theory of Continuous Media and Nanostructures, Institute of Fundamental Technological Research PAS

Prof. dr hab. Jerzy Rojek
Department of Information and Computational Sciences, Institute of Fundamental Technological Research PAS

Prof. dr hab. Marek Trippenbach
Department of Physics, The University of Warsaw

Dr hab. Janusz Wójcik
Department of Ultrasound, Institute of Fundamental Technological Research PAS

International Editorial Board

Prof. Paul Mulvaney
Department of Chemistry, The Melbourne University, Australia

Prof. Kris Kempa
Department of Physics, Boston College, USA

Prof. Jinwei Gao
Institute for Advanced Materials Academy of Advanced Optoelectronics, South China Normal University Guangzhou, P.R. China
